A Princess of Mars

Part One of Edgar Rice Burroughs's Mars-Series. Easy, swank, pulp read about an omnipotent gentleman teleported to Mars, finding an outlandish society of ape-, tree- and lizardmen, red-, white-, yellowmen, brains on legs, strange bastions and curious apparatuses, where the strongest survives and women are needy beauties to be saved. How can something be so platitudinous and at the same time so imaginative and enthralling? (Summary by Stephan)
